## My Dearest Roxanne

Shitpost

Baby..when GME moons I want you to know that you don't have to put on the red light. The squeeze is squze those days are over you don't have to sell your body to the night..

Baby once we board that rocket..Never again will you have to wear that dress at night.. When the Tendieman cometh..No more waking the streets for money I don't care if it's wrong or if it's right.. Roxanne I'm diamond handing these shares until we moon or I die!

- Roxanne (Put on the red light)\* *(Put on the red light)*

Hmm...Okay..

Inside this fantasy It seems so real to me Synthetic ecstasy, when my best friends wife's legs are open True life behind a chart Where hedgies and apes fought A fading memory, when my diamond hands are frozen I can see a sqouzen point in time Where ten figures still awaits Tongue of fire tracing sma lines Where the moon originates..

Vibe?
