My control # was 12 digits instead of 13-16

Also that links you to a separate site that the Gamestop shareholders site does not link you to.

Contacted gamestop and ask them whats up. No response yet.

Exactly why I chose THIS specific push notification to share as it regards voting. Any other broker..haven't had that issue or it hasn't been brought to my attention as of yet.

Move remains the same regardless:

BUY/HOLD/VOTE

Probably this thing discussed during the AMA where an intermediary runs the proxy vote for the broker, and if an overcount exists they will tell the BROKER BEFORE THE STOCK ISSUER.

Broadridge runs proxyvote.com

thanks for this

I was going to be lazy and just vote through Robbinghood email instead of searching for the proxy on the Fidelity website.

Aren't you the conspiracy theorist. Banned from Superstonk

Edit: GME and WSB 100% compromised with shills looking to gain karma to get into superstonk, not surprising really

Am I a conspiracy theorist or a shill looking to gain Karma in order to get (back) into [r/SuperStonk](#)?

Not so surprising that I'm not either.

Your comment should be the most Upvoted comment. You got one from me. And here..take some of my Karma.

Welcome back boss. Just caught up on your last few posts. Shills out in full force no surprises there. Will there be a share recall around 5/8?
