I Fedish WhaleTales (R.I.P My DMs In Advance)

Shitpost

(self.DeepFuckingValue)

submitted 2 months ago by RatioAtBlessons to /r/DeepFuckingValue

*Talking that shit with your back to me, just know it always get back to me.*

It was all fun and games until an 🐼 peeled out in your Kharma..wasn't it Xenny? Gotcha little mad or big mad? Xenny, Xenny

While you were at the Four Seasons with your best ends best friends. I was spending Annie's ends while she was gettin' spit roasted at the 🔥 outside Weston. *I fucked and left, I hope it ain't no hard feelings (Nah) Was broke as fuck, that's how I started bonds flippin' (washed ups) Get some millions, it'll make a ape love livin'*

So once again there's only all these 🐼 & whales determined (to uncover the fraud 'n crimes by), huh, and (here) I thought you (Xenny) were ready to (💩 🍌) give it up.

🐼 it gon' 🐛 too funny when those 🌱 behind 145 N Dearborn St begin to bloom. Huh. Sure would hate to be the neighbors when that capon comes home to roost. Not Etiquette Advice...but the next time that you're having dinner with Kelly, you should really consider not biting off more of the stake than you can chew. Especially not before you're supposed to met with Evans. As you know..he's incredibly ,jərmə'fōbik. Wanted me to remind you 360.4 left until you Hanover another of 🍷 🍌 🍌 .

FYI..Seams those WALEs down under aren't too pleased to pieces about the sudden interest in pips...get that fixed before another NFT flicks. Need you be reminded whose wrist will be the first they secure to the bench.

Hurry up it's only a matter of time before this all goes from 🐼 on r/SuperStonk to Katie Porter & her white board, if you catch my sent...

Look into \$PIPP. Management has Coca Cola, NYSE, Congress, big banks, Steel corporations, MIT Sloan connections, department of defense, and Biden connections.

Here's a "Kelly" in KG's life...

<https://www.salon.com/2020/12/17/this-hedge-fund-billionaire-is-a-huge-fan-of-sen-kelly-loeffler--but-why/>

"As it happens, Kelly Loeffler's husband, Jeffrey Sprecher, is chairman of the New York Stock Exchange — as well as founder and CEO of Intercontinental Exchange (ICE), the company that has owned the exchange since acquiring it in a \$10.9 billion deal in 2013. Loeffler herself sits on a Senate committee that oversees Wall Street and the financial markets."

Info dump, take it or leave it. Just some things I found while trying to decipher this. Going in order from top to bottom.

-Searched for FWT(Fedish WhaleTales) ended up somehow looking into Fenics Go which is an OTC trading platform owned by BGCP and was backed by Citadel at the beginning of last year. Don't know where else this leads. <https://www.prnewswire.com/news-releases/fenics-go-announces-leading-liquidity-provider-citadel-securities-joins-its-electronic-trading-platform-for-exchange-listed-futures-and-options-300989537.html>

-When he mentions "Annie" I believe he talking about Anne Dias, Ken's ex-wife. 📍 outside Weston, I believe he's talking about The Guitar Hotel in Florida. No idea where this leads, probably just trying to stir shit with Ken.

- "Ant it gon' Bee too funny when those Seedlings" no clue, maybe seedlings are alumni?

-145 N Dearborn St is the location of Morningstar HQ in Chicago(there's also an AMC theater but I doubt it has anything to do with this). Morningstar is an "...Independent investment research firm that provides data and research content for individuals, financial advisors, and institutions." I'm guessing they know something about all of this but I'll leave connecting the dots to someone else.

-Not **Etiquette Advice** : Looked for NEA and ended up with Nuveen Amt-Free Quality Municipal Income Fund.

Nuveen AMT-Free Quality Municipal Income Fund is a closed-ended fixed income mutual fund launched by Nuveen Investments Inc. The fund is co-managed by Nuveen Asset Management, LLC and Nuveen Fund Advisors LLC. It invests in the fixed income markets of the United States. The fund primarily invests in undervalued municipal bonds that are exempt from federal income taxes, including the alternative minimum tax. It seeks to invest in securities that are rated Baa/BBB or better by S&P, Moody's, or Fitch. The fund's investment portfolio comprises investments in various industries, which include transportation, healthcare, utilities, housing/multifamily, and water and sewer. It was formerly known as Nuveen AMT-Free Municipal Income Fund. Nuveen AMT-Free Quality Municipal Income Fund was formed on November 21, 2002 and is domiciled in the United States.

Nuveen seems to have some ties to Citadel and is based in...you guessed it, Chicago.

<https://fintel.io/so/us/jrs/citadel-advisors-llc> 2020-08-14 13F filings on a closed position on another real estate income fund. I'm sure there are more ties but I don't really know what to look for there.

-As mentioned by someone else, Kelly is probably Sen. Kelly Loeffler and steak was replaced by stake for a reason. I'm guessing he tried something that didn't go too well.

-Evans could be Will Evans, COO, Commodities at Citadel, ex Goldman Sachs employee.

- ,jərmə'fōbik is phonetic for germaphobic which led me to wiki. Trump is also listed as a well-known germophobe who coincidentally didn't want to meet Chris Evans last year. Don't know what to think of this one.

-No idea what 360.4 means. The only other thing I found about Hanover that's not already here is Hanover Square in London. Bunch of banks and financial advisors around there and I'm not sure which ones I'm supposed to be looking for.

-PPP was most likely related to the Citadel alumni PPP loan scam.

- 📱🚫 Stand \*You Me 📷📁 Big 🏛️, 🏠, 📁 512312801s 📠 = I'll let you do the rest but as u/Tulipsniperpewpew said in another thread, 512 is Austin's area code, 312 is Chicago and 801 is Salt Lake City.

I don't want to send anyone on a wild goose chase since I'm not even sure of anything in this post but I'm hoping it can spark the imagination of someone with more wrinkles than I.

I believe the 360.X is some kind of countdown. If you look at his other posts, they decrease by .1 each day (example post from one day before linked here)

[https://www.reddit.com/r/Superstonk/comments/mnk2kd/must\\_3603/?utm\\_source=share&utm\\_medium=ios\\_app&utm\\_name=iossmf](https://www.reddit.com/r/Superstonk/comments/mnk2kd/must_3603/?utm_source=share&utm_medium=ios_app&utm_name=iossmf)

Not sure if anyone has expanded on this elsewhere.

Seedlings could also be referred to as Sprouts or Saplings. Not sure how deep we're trying to look into this or if emojis are to be taken literally or not with the possibility of what it's referencing.

Hopefully someone smarter than myself continues making these connections, like yourself.

Refers to a capon after the 🌱

Capon: a rooster that has been chemically or physically neutered to improve the quality of its flesh for food, and, in some countries like Spain, fattened by force feeding.
