hey do you have any idea why there are so many people posting several times an hour only about GME? I keep seeing talk about shills but all the shill-like accounts are saying buy/hold. I'm fascinated what is this?

You honestly sound like a bot to me. When has proper grammar and politeness ever been used here (and I'm a chick Newby)

Well..I'm rarely coherent when I post or comment and that is/was the first ever message that I've ever received. I felt like I had to be...diplomatic.

Right there with ya! You just seemed too nice to be real. Sorry for judgment! (Full disclosure I'm a chick and I've had too much chard)

Deep in the Chard, huh? Well that likely explains why it appears as though I'm a nice gent with a proper lisp. 😊

Full-full disclosure..I might be.

Are you only making a racket or is this a scheme? Looking for closure unless this is just a common lisp, but maybe I'm looking for sharks in a swimming pool
