Thank you u/rensole and ALL APES

To [u/rensole](#) once again you've proven No Ape Against Ape. Much respect.

To all: I want to thank all of you smooth and wrinkled brain apes for 💎👊 this far while continuing to do so. It's working and it's applying pressure. Keep it up!

It is really important that we do not divide and do not fight amongst ourselves.

It is really important that apes read the God Tier DD and the DDs that are being put up daily. An informed ape is the most dangerous type of ape.

We are individuals who like the stock and have randomly stumbled into other apes who just so happen to as well..AMAZING.

There are those of you who have and continue to contribute in ways that you don't have to for apes other than yourself..those efforts and the time you have devoted has an impact in more ways than I could list. You are the real MVApes!

To the apes who are lurking, salute!

To fellow whales in apes clothing...oOk Ook!

To the skills...you tried your best and played yourself.

Right now I encourage every ape to pat themselves on the back. 1share to 100k+shares you deserve a 💎👊 round of 🍌🍌🍌🍌🍌.

Much like our favorite stock. Can't stop, Won't stop! 💎👊🐘's to the 🌑! 🚀🚀🚀🚀

Ahem: What's my favorite word? Hold Why they gotta say it like Long\$? Hold You know they can't play on my court Can't hang with the big apes, stay on the porch *Blow the whistle*

There are some really smart dedicated apes posting good technical, industry and legal DD and info. I will use my free time to look into the smoke and try to fit together some of those puzzle pieces. Can't think of a better way to spend a long weekend!

I appreciated the fluff piece the other night. Much love.

The words at the end are a play on the lyrics from Blow the Whistle by Too Short!
