## Dear Brokers

**Shitpost**

We get it. Okay.

You've recognized a unique marketing opportunity. Yay for you.

But fuck..enough. Or at least switch it up.

"That's it I'm switching to \_\_\_\_." "I've transferred from \_\_\_\_ to \_\_\_\_." "I just found out that \_\_\_\_ has \_\_\_\_ limit."

And on, and on, and fucking on.

We get it..you see this as a way to get more tendies..or as I see it..a stealthy ass way to cover your asses and other assets..I mean asses.

It's embarrassing really the way that your whoring yourselves out. Reeks..you nasty Fidelity. Especially. Fucking whores. TD..I can't believe you. Stick to the corny commercials. Robinhood..don't think that I don't see you laying' over there in the cut just tryin' to make it. I see you bitch. You seen. All of you masked and unmasked.

You're all •scene•.

Just have the fucking money when those orders start hittin'..I don't give a fuck how you get it. The other apes don't give a fuck either.

But there's no new customers here. Not for free. Not without assurances that the bananas and tendies are protected at all times and payable AT ALL TIMES..no matter what happens.

More apes can afford that upper level of customer relations. More apes will be able to. That diamond level. That never on hold level. That white glove treatment. Y'all should be preparing for that.

Do that instead of this spamass advertising.

Pathetic..my best friends girlfriends husbands pathetic.

FYI- just spoke to fidelity. They do not set a limit on stock price. Just wanted to clear up in case anyone else comes across this.
