Making GME Fun(Again)

Fluff

I don't how many's will be watching the National Championship game tonight, but for those of you who do..You'll definitely see an ape or a few putting in the sky.

Just for fun...see how many times you can spot the following references throughout the game(In Combo, solo):

The words "Diamond Hand", "Tendies", "DFV", "GameStop".

There was something [r/GME](#) specific..but that got scrubbed. No guarantees but the [r/SuperStonk](#) image may even *flash*.

Been a rough 24+.

Let's have some fun time apes and appettes.

Oh yeah..perhaps the only time I am ever Pro ...

Memes might be out of my range...but uhh..I'm pretty sure that somewhere between tip off and net cutting I'll be properly be liberated or liquid enough to conjure up a string of emojis.

I'm all for Gonzaga, they are local for me. It would be their first time winning.
