Stay grounded

Okay..we're about an hour out from open apes.

Listen up: STAY GROUNDED

No matter what you're doing, where you're at in the world. STAY GROUNDED.

The stock price isn't the only thing that will swing wildly today. Keep your emotions in check as best you can. Do your best to keep your head clear no matter what.

Whether we moon or we crash on take off. Breathe easy. Remember that nothing in life is certain, but anything is possible.

Many of our dreams could come true today or they could be delayed or they could turn into nightmares. No matter what STAY GROUNDED.

You've made it this far, there's still some ways to go!

I pray that we all celebrate today in different ways for different reasons.

Let's fucking get it apes!!

I like the stock. I like the stock. I like the stock.
