So what you're saying is you'd rather play some narcissistic cryptic puzzle game instead of getting straight facts?

If you want to play games go buy monopoly.

lol you're all soft-bellied. Nobody is being hostile, you're just sensitive to facts that go against your ideas. I'm assuming you're new to the WSB or it's derivatives. You are in the zoo my friend, toughen up.

Buddy nobody fired on anybody, I stated facts. This isn't a movie, there's no need for the theatrics. Cut to the chase and state your facts.

If it's repercussions they're afraid of, mask your identity to the best of your ability or keep your mouth shut. It's just busy work for what purpose?
