

Ratio you're back! I missed you! I've been digging into a lot of what you're hinting to but I'm stomped. Going to keep trying though. Glad you're back.

Great song

evolving000 · 1m

Go to youtube and watch the roaring kitty instruction videos.

This all started because of his altruistic intentions to educate people in value investing so the average retailer could learn to make gains.

Get your fix and be educated at the same time.
